Content styles

- Talking to camera testimonials
- Presenter-led product or venue features
- Voiceover over lifestyle footage
- Experience and day-in-the-life stories
- Demonstrations and how-to walkthroughs
- Multiple hook variations for ad testing

Best-fit niches

- Spa, wellness and retreats
- Travel, glamping and boutique stays
- Books, journals and mindful living
- Self-care and beauty for women 35+
- Food, dining and slow living
- Arts, culture and personal growth

Why brands work with me

- TEDx speaker with natural, confident camera presence
- Clear, warm voice for narration and voiceover
- Authentic storytelling, never a hard sell
- Published writer, so scripts and captions come polished

What you receive

- Vertical 9:16 videos, typically 15 to 60 seconds
- Raw or edited files, with optional captions
- Agreed revisions before final delivery
- Turnaround agreed per project

Let's create content that feels true to your brand

Rates are tailored to each brief. Usage rights, paid advertising and exclusivity are quoted separately.
